

Let Her Go - Passenger (Capo7)

Intro

F / C / G / Am

**Well you only need the light
when it s burning low
Only miss the sun
when it starts to snow
Only know you love her
when you let her go**

**Only know you've been high
when you're feeling low
Only hate the road
when you re missin' home
Only know your love her
when you've let her go
And you let her go**

Am / F / G / Em

Staring at the bottom of your glass
Hoping one day you will make a dream last
The dreams come slow and goes so fast /
You see her when you close your eyes
Maybe one day you will understand why
Everything you touch surely dies

[Chorus]

Am / F / G / Em

Staring at the ceiling in the dark
Same old empty feeling in your heart
Love comes slow and it goes so fast
Well you see her when you fall asleep
But to never to touch and never to keep
Because you loved her to much
And you dive too deep

[Chorus]

And you let her go

Am / F / G / Em

[Chorus x2]
